Please attach a dimensioned drawing with plan and elevation views, materials, colors of the proposed change or addition, and the proposed construction time schedule. After board approval the manager will give written notice of association approval to proceed which will be required for Arrowhead Design Review and Eagle County approval (please contact the county planning staff for their application form). Please provide manager with a copy of any required permits upon receipt of them.

Should the board require additional information, approval will be deferred until additional information is received. Requests from an owner with delinquent dues or assessments will not be accepted.

The owner understands and agrees that:

1. No work in this request shall commence until **written** approval by the board is received.
2. Once approved, construction must be completed within the approved construction time and must be done in a way that does not unreasonably interfere with neighboring properties.
3. Applicant has responsibility for removal, in a timely manner, of any debris resulting from construction.
4. Construction must meet all zoning, building codes, and laws of the town and county. Further, nothing herein contained shall be construed as a waiver or modification of any such code or law.
5. Where applicable, utility easements are to be marked before excavation is to be started.
6. Misrepresentation of any items in this request, either oral or written, may void any approval by this board.
7. Any changes from approved design require management approval.
8. Upon completion you must record above changes with Eagle County and have drawings, plats and maps at the county offices updated so they are accurate and up to date.
